New Lakeside School Dedicated Monday, April 25

Pictured above at the entrance to the new school, are members of the Board of Trustees of the Lakeside Union Elementary School District (from left to right): C. Rupert Linley, Douglas McClain, J Hart Dunham, John B. Wilkinson, Arthur L. Foster and School Superintendent Elmer M. Walker. The new school is the result of hard work and careful planning of this group of men.

Lakeside's first schoolhouse, above, built in 1890, at Prospect and Woodside. This photograph was taken in the year 1905. Lina P. Stone was the teacher of the one-room school. Trustees of the early-day school were J. H. Kline, John Icke and Mr. Russ. This structure burned to the ground in 1916. Prior to that, a stuccoed building (now Recreation Hall) had been built alongside it. Both were in use at the time the 1890 structure burned.

Following is a list of pupils of the Lakeside Grammar School—year 1905—most of whom appear in the above picture:

Alma Flack, Charlie Lucas, Mary Taylor, Doris Doyl, Mabel Stephens, Ada Doyl, Harry Strader, William Myears, Rita Guetterz, Rena Guetterz, Chauncey Burgess, Jamie Lucas, Alario Machado, Edna Culbertson, Clara Ferry, Dollie Beadle, Doris Mallory, Bene Garcia, Loupe Guetterz, Paul Martinez, Eugene Ames, Georgia Lane Charley Berkeley, Abran Guetterz.

Homer Nicholson, Carl Stephens, Hettee Mallory, Mary Russ, Charlie Cano, Edgar Strader, Clifford Roberts, Earl Flack, Rose Guetterz, Ralph Taylor, Wesley Beadle, Jim Ames, Joe Machado William McClain, Leo Strader, Lucy Doyl, Danny Kesling, Joaquin Guetterz, Sarah Alvorado, Thomas Martinez, Joe Smith, Josephine Lane and Mary Smith.

"As I See It"

By LANGLOIS

This week will mark an important event in Lakeside's history. I refer to the completion of the new Lindo Park School.

Conceived and brought about by the untiring efforts of School Superintendent Walker and the Lakeside Board of Trustees, it is a project that our community can well be proud of.

Designed by Architect Hamill and built under his constant supervision, it is the last word in grammar schools. Not to be forgotten, either, is the fact that without State aid, we never could have begun to build a project of this size.

Having been connected with this undertaking from the beginning as your local inspector, I can appreciate the efforts it took to design and complete this undertaking. I have in the space of seven months met and associated with men who prove my point, that the world is getting better. On a project of this size, there is always something unforeseen coming up that almost invariably costs the general contractor or the sub-contractors money that was not figured on. Everyone of the boys on this job got hit. They took it like men, chin up and with a grin.. You can never whip a nation made up of this sort of boys. When it gets too tough for everyone else, it gets just right for them.

Having been in the construction game off and on for over forty years, having worked and associated with chiseling contractors, who spent more time and money trying to beat specifications, I can certainly appreciate men who lean backward to do a good job, regardless of the cost.

I am going to mention them by name. George Riha, the main boy and general contractor, who used up 105,000 feet of lumber and when wound up, could cover more ground than a jet bomber.

Bert Saunders, who poured 550 yards of concrete.

C[illegible] for whom I have an especially soft spot in my heart, due to the fact that he goes out of his way to do one a favor, is Andy Kitzman, the plumbing contractor. With his foreman, Jim Eakes, he helped us on our church job (rest rooms) without a cent of remuneration. On this school job, Kitzman laid over 8,000 feet of pipe. In spite of being an intricate job, it was done without a hitch.

Then we have Bob Beasley, who had the electrical contract. He used something like 20,000 ft. of wire, besides all the conduit. During all the time that this job was going on, I never saw Bob but what he had a smile and a courteous answer for any query, no matter how silly. They raise some fine boys in Louisiana. Had I been in his place, when I came on the job one morning and found some local urchins had pulled off every tag from a million wires, I'd have talked in a voice loud enough to reach Palomar. Not Bob. He had to bell every wire, but still smiled.

Now, take Clark Bacon, who had the plastering end. Don't think that labor does not cause these boys headaches and ulcers a plenty.

Another cheerful little rooster who took it on the chin was Peabody of the San Diego Fixtures, who furnished the cabinet work. If any guy ever had cause to ask the Lord why he deserved all the headaches he got, Peabody sure did. Not through his work—which is the best I have ever seen. If you want a sample, take a look at Ruby Nelson's desk when you visit the school next week. But though hurdles, minor and unexpected, came up as we went along, he overcame them all.

We now come to George Jones, who had the painting contract, and who used up some 297 gallons of paint.

First, it was the weather, then some more weather, and concluding this week, some more weather. Then a classroom completed, someone puts five dirty fingers on some prominent spot to make sure its wet. He finds out it is, so he looks for a dry spot, finds more wet, and tracks are left everywhere you look.

The thresholds are last, so everyone makes sure to step on them right after the asphalt tile is laid. Yeah, boys, she's a great life, but as I said, they smiled, swore and took it in stride.

Speaking of tile, the Crown Linoleum Co. who put in the asphalt tile and Venetian blinds, have men who can really lay that stuff. When one man cleans up a classroom in less than a day, that's something!

Last, but far from least, my hat is off to Sam Hamill, who displayed more patience, used more diplomacy to smooth differences than any man I have ever met. He should head the United Nations.

So the job is done. I have met some wonderful boys whom I wish all the success they well deserve.

Come on over Monday the 25th and look it over.

As evidenced by Lakeside's new Lindo Park School, public education in this community has come a long way from the days when school was held in an open horse shed, and in private homes.

Compared with Lakeside's school in 1889, with eight pupils, 1949 enrollment of the unified school totaled 611. These and other interesting facts have been compiled by Mrs. Florence Beadle, historian of the Lakeside Chamber of Commerce.

Education on the March

By FLORENCE BEADLE

THE LAKESIDE SCHOOL

Lakeside's first school classes were held in an open horse shed near Main and Laurel sts. in the year 1889.

Mrs. Ada Weight (later Mrs. Robert McClain) was the first teacher. The eight pupils were Bill Kuhner, Frank Martinez, John Cota, Lola Cota, Frances Cota, Esther Nelson, Tildon Nelson and another Nelson boy.

Classes were held in this shed for about a year. A one-room school house was built on Woodside and Prospect st. in 1890, and Mrs. Ada Weight taught there for two years. There were now ten pupils.

Records in the year 1891 show Mrs. Weight had 22 pupils and Walter Maxwell had 14. The enrollment continued to grow each year until in 1905 there were 47 pupils in this one-room school.

About 1908 another room was built onto the old schoolhouse. The stucco schoolhouse (now used as a community recreation hall) was built about 1912.

Both buildings were used until 1916, when the old wooden structure burned down. Mrs. Ada Weight, the first school teacher, had returned and was teaching at the time.

She married Robert McClain in 1898, during her absence from Lakeside. She passed away in her National City home in November, 1947, at the age of 90.

BECOMES UNION SCHOOL

July 13, 1923, the Lakeside Union Grammar School District was formed by the merger of the Lakeside and El Monte school districts.

The new district purchased the high school building at Riverview in 1924, after the high school had moved to Grossmont. The Woodside schoolhouse was then abandoned. School enrollment by this time was about 150.

The growth in attendance during the year is reflected by the following record of average daily attendance:

1924 to 1929	145
1929	192
1930	197
1931	221
1932	240
1933	240
1934	240
1935	214
1936	214

By the year 1943 the enrollment had reached 358 pupils, and increased rapidly each succeeding year, as the following table shows:

1944	394
1945	420
1946	429
1947	525
1948	580
1949	611

School principals during these years were:

Archie McGillivray—1923 to 1926
E. H. Carender—1926 to 1945
Gerald Prindiville—1945 to 1947
Elmer M. Walker—1947 to ——

A new school building with eight classrooms, cafeteria and offices, was dedicated December 8, 1936, and the auditorium and two other rooms were remodeled to conform in architectural design with the new building.

(To Be Continued)

Mr. and Mrs. O. H. Kursave are again adding to the seating capacity of the Lakeside Theatre.

An addition is under way which when completed, will give the theatre an additional 110 seats, bringing the capacity to over 500.

Barbecue, May 6, Is Opening 49er Event

Plans are well under way this week for a 49er Barbecue, opening event of this summer's round of public events to raise money for Lakeside's War Memorial Building. The event is scheduled for Friday, May 6.

Jim Haptonstall, chairman of the barbecue committee, announces that a three-year-old beef has been donated by Frank Gasser of Santee, formerly in the dairy business at Lakeside.

The beef will be barbecued at the Rodeo Ground pit under the supervision of Bill Kuhner, Wallace Phillips, C. Chambers and Mr. Haptonstall.

Beginning at 6:30 in the evening the barbecued beef will be served, with a menu of baked beans, salad and potatoes — for the price of $1.50 for adults and 75c for children 12 or under.

An old time dance will be held in the evening and there will be entertainment by the Moonlighters Barbershop quartet.

All proceeds from the barbecue will be for the benefit of the War Memorial Building.

During the evening, the Lakeside Woman's Club will have charge of a refreshments booth.

Well Baby Clinic In Lakeside May 3

The Lakeside PTA will sponsor a Well Baby Clinic at the Lakeside Community Church on May 3, from 9 to 11. Pediatricians from the San Diego County Board of Health Department will examine babies from birth to school age and give advice on diet and general care.

Immunization against diphtheria, whooping cough, tetanus and smallpox will be given free.

Kiwanis Club of Lakeside to Be Given Charter Friday Night

The newly [illegible] Lakeside Club, Kiwanis International, will be granted its charter at a presentation ceremony on Saturday night, April 23, at the Catholic Recreation Hall in Lakeside. It will follow a banquet at 7 p.m.

County Art Award Given to Lakeside Woman's Club

The Woman's Club of Lakeside has won the county award this year for the excellence of its art activities.

Mrs. E. J. Henry, club president, brought this news to Lakeside Wednesday upon her return from the county convention being held this week in San Diego.

Mrs. Claude Weston and Mrs. Ella Merritt accompanied Mrs. Henry to the convention, which will also be in session again today (Thursday.)

MEETING THURSDAY

There will be a program meeting of the Lakeside Woman's Club Thursday, April 28, at the Community Presbyterian Church.

Mrs. E. J. Henry announces there will be an exhibit of school art.

Everyone is to wear a crazy hat—the funnier the better. A prize will be awarded.

Hostesses will be the Mmes. F. W. Mock, Viva Rawlings and H. C. Nunnelee.

The club was awarded a landscape painting by Elsie Kimberly, well known artist. The picture is valued at $125 and will be on display at the April 28 meeting at the church.

Mrs. Henry reports the award was made principally because of the outstanding art exhibit sponsored by the club in February; also for the encouragement being given by the club to student artists.

All women's clubs in San Diego County were in competition with the Lakeside Woman's Club for the award.

Set Date for Graduation Exercises at Santee

June 12 at 3:30 p.m., is the date set for Eighth Grade graduation ceremonies at the Santee Elementary School. The date was decided on at a meeting of the Eighth Grade mothers with the principal, Mrs. Dorothea Hoffmann and Reginald Noyes, teacher.

The exercises will be held on the patio. There are now 28 pupils in this grade.

CALIFORNIA PUBLIC SCHOOLS WEEK AT SANTEE

Wednesday evening, April 27, at 7:30 p.m., the faculty of the Santee Elementary School will be hosts to parents and friends of the school, Mrs. Dorothea Hoffmann announced this week.

Teachers will be in their classrooms to confer with parents and show them their children's work, which will be on display.

WE WANT YOUR POULTRY, eggs, rabbits, turkeys. Top prices paid. See or call VOWLE'S EGG & POULTRY CO. 1202 Persimmon, Bostonia.

Guest Pastor Sunday at Community Church

Rev. T. E. Roberts, interim pastor of the Lakeside Community Presbyterian Church, will be in Texas for the next two weeks visiting friends and considering a call which has been extended him by a church there.

The pastorate committee report that this Sunday the pulpit will be filled by the Rev. Bryce Sidebotham of Los Angeles who is surveying this community as a possible field for his future work.

Mr. Sidebotham is now the Presbyterian chaplain to the City College, a school of 6000 students in Los Angeles.

"All people of the community who are interested in the growth and development of the church," a spokesman for the committee said this week, "are urged to attend services Sunday at 11 o'clock and to remain for a potluck luncheon afterward to meet Rev. Sidebotham.

"Please bring a covered dish and a dessert or salad, and your

Exercises Begin at 1:30 In the Afternoon

John S. Carroll, Superintendent of Schools of San Diego County, will be one of the speakers at the dedication ceremonies, Monday, April 25, for the new Lindo Park Elementary School. The exercises begin at 1:30 with Invocation by the Rev. Willard F. Knox and end with a tree planting ceremony by the Lakeside Kiwanis Club, which has undertaken beautification of the grounds as a club project.

Public Schools Week opens in Lakeside Monday with the dedication of the new Lindo Park School.

The dedication program is printed in an adjacent column.

Bleachers were set up for the program this week, facing the steps in front of the new school.

The entrance to and circular driveway at the west side of the buildings were being surfaced this week.

The new $139,000 school was completed this week by the Riha Construction Company.

The new school has a modern clock and signal system, complete with fire alarm stations and signal horns.

All wiring is enclosed in conduits and the main service wires are underground from pole to the large factory-built switchboard.

A total of 4,600 feet of conduit was required and into these conduits went a total of 18,400 feet of wire.

Fifth Birthday for Judith Ann Miller

Judith Ann Miller celebrated her fifth birthday Saturday, Apr. 16, at the home of her parents, Mr. and Mrs. Rowe Miller, 1011 First st., Bostonia.

Twenty little friends came to the glad occasion: Margan Miller, Robert Stewart, Freddie Schulley, Bonnie and Terry Farmer, T. K. MacGillivray, Emma Jane and Wanda Miller, Patricia Howe, Dorothy Rowe, Charlene Davenport, Barbara Hill, Steven and Michael Hill, Larry and Eddie Morris, Margie and Kathy Karp, Danna Kendall, Beverly Jackson.

The youngsters enjoyed an Easter egg hunt, which was followed by refreshments. Mr. and Mrs. Miller are proprietors of the Riverview market on Woodside.

Ned Bowker is confined to his home with bronchial pneumonia.

Mr. and Mrs. W. H. Baker of La Jolla visited in Lakeside Sunday afternoon.

Mr. and Mrs. Charles McCoy and family of Pacific Beach called on friends in Lakeside last Monday.

Mr. and Mrs. O. W. Bryan and daughters, Mary and Bonnie, of Earlimart, Calif., visited at the home of Mr. and Mrs. Allen G. Mitchell, the past week. Mr. Bryan is Mrs. Mitchell's brother.

W. A. Sullivan, Jr., of Kerrville, Texas., visited his aunt, Mrs. Dave Holland, and his grandfather, George W. Conrad, of Riverview Farms, this week. Mr. Sullivan is in the Navy and has just returned from a trip to Peru. He is stationed at Las Cruces, N. M.

Mrs. Margaret Adams To Meet With Circle

The monthly meeting of the Margaret Adams Circle was postponed from Tuesday, April 19, to Thursday, April 28, in order for the Circle members to have the presence of Mrs. George Adams at the meeting.

Word has been received that she will be in Lakeside on that day and that she would like to meet the members of the Circle which was named in her honor.

The meeting will be at the home of Mrs. Robert Neiman on Los Coches rd. at 1 p.m., with Mrs. Jim Schiller, co-hostess. Luncheon will be served and members are asked to make reservations by phoning Hilldale 4-8863, H. 4-3748 or H. 4-3735.

Miss Shirley Langlois and her friend, Mrs. Ted Kinney, of Catalina Island, were over-Easter visitors at the C. O. Langlois home on Julian ave.

Mr. and Mrs. Kinney are caretakers of the palatial Wrigley home on the island. During the tourist season they help entertain the hundreds of visitors that flock to the island on pleasure jaunts. Miss Langlois will be in their employ as another tourist season opens in a month.

Mr. and Mrs. Fred Morton have a daughter a son. Barbara is in her second year at State College and Eddie is a senior at Grossmont. Barbara is majoring in music and taking vocal lessons from Inez Anderson. She is soloist at the Community Church in Lakeside and has a student class that comes to her home for piano lessons.

Eddie is president of the Red Robe Choir at Grossmont High, and was a member of the Blue and Gold band.

The Morton family came to Lakeside from Denver, Colo., in 1933 and bought two-thirds of an acre from F. B. Morton, Sr., and built their home. Mr. Morton Sr. passed away over a year ago. Mr. Morton is plant manager for the Star and Crescent Oil Co. of El Cajon. Mrs. Morton is a past president of the Lakeside PTA.

* * *

Art Foster is a native son and his wife came from Arizona. They bought an acre from Fred Morton and have lived in their present location for the past nine years. They have two children. Donald is 11 and Judith 7.

Mr. Foster has a new sheet metal shop in El Cajon, on Highway 80 near the Bostonia turnoff. It is an attractive building to house his growing business.

Mrs. Foster has been active in the Brownies and Girl Scout work. Mr. Foster is a member of the Lakeside Elementary School Board.

* * *

My next stop is at the poultry ranch owned by Mr. and Mrs. A. M. Jennings who came here from Sonoma county last June and bought from Guy Miller eight acres with buildings for raising poultry on a large scale. They now have 2000 chickens and 1000 laying hens. Mr. Jennings is in the Navy with the expectation of retiring in four years. During his absence Mrs. Jennings has full charge of carrying on the business and is proving herself to be a very efficient manager. They have two girls. Billy Sue is 15 and Paulette 4.

* * *

In 1944 Mr. and Mrs. John E. Webb came from the state of Wisconsin to Lakeside and bought 5 1-3 acres from Lewis Grosse. They have a son and daughter. John Jr. is attending State College, and the daughter is now Mrs. Robert Kemp. Mr. Webb is now retired from the Army. He and Mrs. Webb traveled extensively during his service.

* * *

In a modern five-room house, situated in a grand location, I had the pleasure of calling on two others of our old-time residents, Mr. and Mrs. Guy L. Miller. They have a son, Guy M. Jr., now married. Both he and his wife attend State College. He is a veteran of World War II.

Mr. and Mrs. Miller came from Ventura county and at first lived at Muzzy Grade, coming to Lakeside in 1928. They bought 15 acres from Mr. Oaks. For many years Mr. Miller was a successful poultryman. Wishing to make a change in his occupation, he sold his poultry ranch to A. M. Jennings; also sold five acres to Mrs. Meink, reserving the rest for his present home. Mrs. Miller began teaching in the Grammar School in 1920 and is considered one of its outstanding teachers. She expects to retire in another year.

Mr. Miller is a gunsmith and has a well-equipped shop at his home, with a fine display of firearms.

Fifteen years ago Mr. and Mrs. Max Jenkins came from the state of Utah to Santee, and from Santee he came to work for the McClain boys and is occupying the house where Doug McClain lived before he moved to his new home. This nine-room house, said to be over 80 years old, is still in good condition. It was formerly owned by Bill Miller.

Mr. and Mrs. Jenkins have three children. Virginia is 16 and a sophomore at Grossmont High School. Philip is 14 and in the eighth grade of grammar school. Clark is 6 years old.

* * *

Now we pause to gaze at the scenery as we approach the beautiful, ten-room new home of Mr. and Mrs. Doug McClain. They have a gorgeous view of the mountains and valley below. The inside of the house is just about all one could ask for in the way of convenience and space. They have three children. Jim, 19, is working. Betty, 17, is a senior at Grossmont High, and Margie, 9, is in the fourth grade of Grammar school.

The McClain boys, Doug and George, are well known dairymen in Lakeside. Up until seven years ago, before they bought out Will Miller, they had their dairy on Woodside ave. This place they use for pasturing dry cows and young stock. They are milking around 150 cows. Besides their dairy, they operate a bailer and do considerable tractor work.

Mr. and Mrs. Paul Friend came from San Diego last July and are renting from Glen Hoppus. Mr. Friend is a sales driver for Young's Market. They have one child. 8 months old, Carol Lynn.

* * *

Being more elevated than their neighbors, Mr. and Mrs. Glenn Hoppus have a commanding view of the surrounding countryside. They are located on a hillside above Los Coches valley, just beyond Doug McClain's new home.

Mr. and Mrs. Hoppus bought 18¼ acres, mostly in lemons and limes, from Mr. Waldrous. The house has six rooms and two baths, with stucco walls and tile roof. It has an excellent plan of cross-ventilation and is unusually cool during occasional hot days.

Mr. and Mrs. Hoppus are fond of riding and keep two horses. They are also raising a colt and three steers.

Mr. Hoppus spent ten years in Honolulu and the Orient. He is now District Agency Manager for the Marchant Calculating Machine Co. of Oakland, with his offices in San Diego.

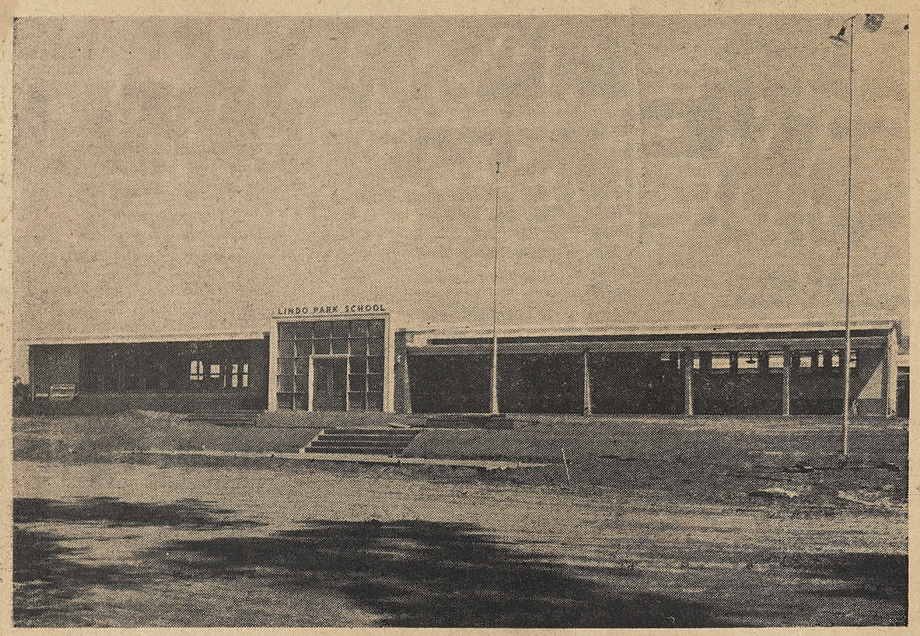
THE NEW LINDO PARK SCHOOL



Above is pictured the latest move by this community to keep abreast of the times in education and provide classrooms and instruction for the constantly growing school population. All completed, except for landscaping, Lindo Park School will open its doors for instruction, Tuesday, April 26. It will serve the eastern section of the Lakeside School District, including San Vicente Farms, Barona, the town of Lakeside, El Monte, and the Lakeview area—through the Kindergarten and up to grade Five.

SOUND CONSTRUCTION

Always Pays!

We are proud to have been the General Contractor for this new Lindo Park Grammar School. It has been a pleasure to work in this community putting up a building that we know the people of Lakeside will be proud of, too. In design and construction, it is one of the best in the State. We appreciate the opportunity to have made a contribution to the welfare of this fine communiy.

Thanks, also, for 100% co-operation by a swell bunch of Sub-Contractors

Education Keeps Step with Population In New Lindo Park Grammar School

Strong, Unified District Has Replaced Early Small, Separated Schools

Sam W. Hamill, school architect, drew up the plans and specifications.

The new school will eliminate a crowded condition at Lakeside's other grammar school, where it has been necessary to hold double sessions in the lower grades.

For the remainder of this year enrollment at Lindo Park School will be limited to the Kindergarten through Grade Five.

Students enrolled under the following teachers will be transferred Tuesday, April 26:

Kindergarten — Miss Martha Hinson.
Grade 1—Mrs. Helen Kriel
Grade 2—Mrs. Claire Westrick
Grade 3—Mrs. Grace Boyer
Grade 4—Mrs. Ruby Nelson
Grade 5—Mrs. Dessie LaCourse.

All other students in the district will continue to attend the Lakeside Union School.

May Day Program At El Monte Park

Observance of Public Schools Week in Lakeside will culminate in a community-wide festival and pot-luck picnic to be held at El Monte Park all day on Friday, April 29. This traditional community undertaking is sponsored by the local PTA.

The program will start in the morning at 9:30 a.m., and will last until about 3 p.m.

There will be a performance by the band, drum majorettes and clowns. Then will follow the Flowers, Bees, Butterflies, Fairies, Brownies, Tumblers and Maypole dancers; the Glee Club and Period Dancers and, finally, the appearance of the Queen of the May (Joyce Langlois) and her Ladies In Waiting.

E. M. Walker, superintendent, cordially invites parents and friends to attend the program and stay at the park for the picnic lunch.

Adults are asked to bring a large salad, meat dish, vegetable or desert. There will be paper plates and cups and wooden spoons and forks furnished by the PTA. The executive board members will prepare coffee and punch.

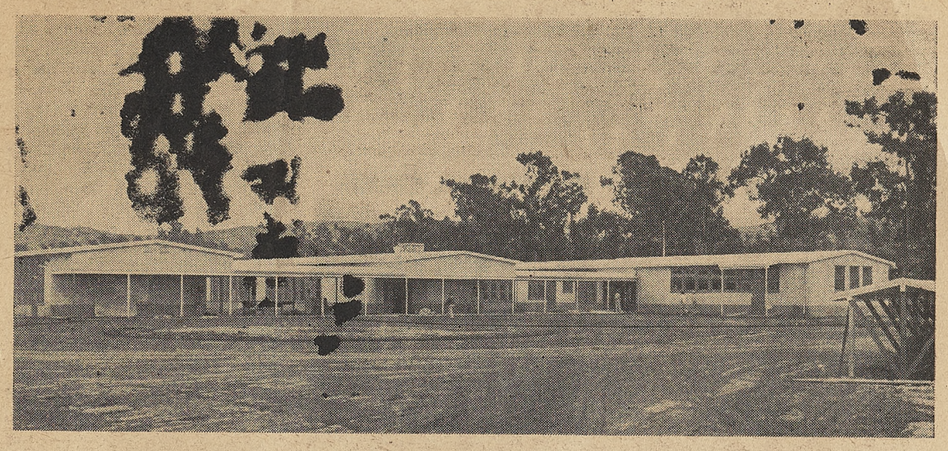
SCHOOL BUSES TO THE PARK

The school buses will make their regular runs to school on the morning of the picnic, Mr. Walker states, but it is recommended that children who can provide their own transportation proceed directly to El Monte Park so as to lighten the bus transportation problem.

The buses will make their regular after-school runs directly from the park after the picnic, but there will be no midday or after 2:00 runs.

Mr. Walker urges those who have cars to assist in providing transportation home.

MODERN BUILDINGS TO HOUSE SIX GRADES



View of Lindo Park School, as seen driving east from Lakeside on the El Monte Park Road. The three-unit building, with its covered walkways, steps back gracefully from the wide front, facing El Monte Road and Lindo Park. The school is one of the most modern in Southern California. It was designed by Sam W. Hamill, architect and built by the Riha Construction Company at a cost of $139,000.. School opens next week at the new location, following public dedication ceremonies Monday. -Photo by W. R. Bledsoe.

TEAMWORK BRINGS RESULTS!

America leads the World in construction "know-how" because its Contractors have long since learned the secret of Co-operation. Teamwork is as important in building a School, a Highway or a great Dam as it is on football or baseball team. The General Contractor is like the head coach. He builds his team with men who will DELIVER THE GOODS! The Lindo Park School was fortunate to have such a group of Sub-Contractors

Schools Come First In This Community

Lakeside is proud of its new Lindo Park School.

It is a handsome building, beautifully situated on a gentle rise overlooking Lindo Lake Park.

The vision of the school board and Mr. Walker in selecting this location will, we believe, become more and more apparent as Lakeside's growth to the south, east and north continues.

The buildings were well designed by Architect Sam W. Hamill and the No. 1 construction throughout was by the Riha Construction Company and its subcontractors.

C. O. Langlois, building inspector, also deserves commendation for his faithfulness in overseeing the project from its beginning to final completion.

The entire community should be congratulated on living up to the best American tradition of putting the welfare of its education system second to none. It has been said in Lakeside many times that "The Schools come first."

Then, in addition, Lakeside is to be congratulated on having such capable school officials to carry out this mandate to build.

Eph Putnam Opines:

Too many of us choose a popgun to shoot at a target, when we should be usin' a high-powered rifle.

Maybe it sounds better in French

Christian Science Topic 'Probation after Death'

"The Lord will perfect that which concerneth me: thy mercy, O Lord, endureth for ever." This quotation from the Psalms will be the Golden Text of the Sunday Lesson-Sermon on "Probation after Death" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.

In his letter to the Philippians Paul writes, "And this I pray, that your love may abound yet more and more in knowledge and in all judgment; That ye may approve things that are excellent; . . . Being filled with the fruits of righteousness, which are by Jesus Christ, unto the glory and praise of God. . . . Brethren, I count not myself to have apprehended: but this one thing I do, forgetting those things which are behind, and reaching forth unto those things which are before, I press toward the mark for the prize of the high calling of God in Christ Jesus."

Mary Baker Eddy writes in "Science and Health with Key to the Scriptures": "Every day makes its demands upon us for higher proofs rather than professions of Christian power." "When we learn that error is not real, we shall be ready for progress, 'forgetting those things which are behind.'"

YOUR CONGRESSMAN REPORTS

By CLINTON D. McKINNON
U. S. Congressman

All this week members of the house are having vacation, while the Senate stays on the job. That's because the House is right up to legislative schedule while the Senate has passed only two pieces of major legislation: Rent Control and ECA. The filibuster put on by the Republicans and Southern Democrats over Civil Rights seemingly put kinks in that more dignified body which they can't seem to shake out.

Most of the members who live along the Atlantic seaboard and east of the Mississippi, will go home for the vacation. Pacific Coast members, by and large, will stay here, due to the traveling time and expense.

Nothing would suit me better but than to get back to San Diego but I can be of more value to San Diego by remaining here. San Diegans have many problems and this week will give me a chance to catch up on departmental calls that have to be postponed when committee and floor sessions require from 10 a. m. till 5:30 p.m.

LEGISLATION TO COME

Some of the top priority bills after vacation will be the Taft-Hartley repeal, the Housing Bill, Federal Aid to Education, and the Minimum Wage bill.

From Charles Mutschler in St. Louis, Mo., came a request for the Lakeside Star. He wrote: "Wish to add your fine publication to my collection which includes newspapers from all over the U. S. A."

121 W. Laurel St., Lakeside, Cal.

Mrs. Delphine D. Wilson recommends prunes as a good, low-cost food.

Prune Salad

A stuffed prune salad is always good during the spring months when few fresh salad fruits are available. To make a prune salad, drain the prunes well, then pit them and let them marinate in a tart French dressing for 10 to 15 minues. Stuff them with cottage cheese or Philadelphia cream cheese softened with a little cream. Mayonnaise is optional.

Prune Pie

Prune pie is good. Fill a baked pie shell with coarsely chopped, pitted, cooked prunes and one-third cup of chopped nuts. Cover the top with stiff meringue. Brown the meringue lightly in the open and serve the pie while it is still warm.

Prune Spice Cake

This new prune spice cake will make a hit with the kiddies, when they find it in their school lunches, Mrs. Wilson says. The ingredients are:

½ cup fat
1 cup sugar
2 eggs, well beaten
1¼ cups finely chopped, cooked, pitted prunes
2 cups sifted flour
1½ teaspoons soda
1/16 teasp. nutmeg
1 teasp. cinnamon
3/4 teasp. salt
½ cup sour milk or buttermilk

To make: Cream the fat and sugar. Add eggs and beat until light and fluffy. Blend in prunes. Sift flour, soda, spices and salt together three times. Add to the creamed mixture, alternating with the sour milk. Line a greased 8 by 10-inch pan with waxed paper. Pour in batter. Bake in a moderate oven (350°F) for 35 to 40 minutes.

Banana Bread

(Mrs. Frank Spotts)

Cream 3 ripe bananas. 1 cup sugar, ½ cup butter or crisco, ⅛ teasp. salt; add 3 eggs, 1 teasp. soda, 2 cups flour. Bake in loaf pan. Makes one loaf. Very good sliced thin for parties or served with salad.

HOME SAFETY

"Safe at home" is a familiar expression, but it is not always true, for plenty of accidents happen at home, especially in the kitchen. Following are a few rules that if followed, may help you avoid an accident:

A place for everything, and everything in its place.

A good, safe step stool.

Keep grease and water spots off the floor.

Keep pan handles turned away from the front of the stove. Use a cover when carrying a pan of scalding liquid to keep it from sloshing over the edges.

Cover a steaming kettle or roaster with a cloth and lift the far side of the cover first.

Keep sharp knives in a safe rack or special drawer.

Keep matches out of reach of children.

Don't use gasoline or kerosene to start fires.

Keep all dry-cleaning operations out of the kitchen.

Check stovepipes and flues regularly.

Store all medicine, insecticides and drugs away from the kitchen and where children can't reach them.

SEPTIC TANK CIRCULAR IS PUBLISHED BY UNIVERSITY

BERKELEY, April 23 — A revised U. of C. publication, Circular 82, that tells farmers how to build a concrete septic tank and drainage system for farm homes, is now available at the offices of the farm advisors in the various counties, or from the College of Agriculture, Berkeley 4.

The authors, H. L. Belton and J. P. Fairbank, of the division of agricultural engineering list materials required, types of tank, recommended locations, and detailed directions for its building. The booklet contains many sketches and photos.

The circular emphasizes the proper installation of a subsurface drainage system and its maintenance. It also cautions prospective builders of a septic tank and sewage system to check county ordinances first with the county health department.

Mrs. W. C. Halliday and son Clifford left last Monday by train on a sightseeing trip through the Grand Canyon, where they spent a day and night. They came home by way of the Carlsbad Caverns. The trip by train was an exciting and interesting experience for Cliford who had always traveled before in the family car.

Mrs. Pauline Labrie, who has been spending the winter in Bostonia with her daughters and sons, Mr. and Mrs. Charles Zelesky, Mrs. Jenny Noone, Arthur and Raymond Labrie, returned to her home in Lynn, Mass., this week. She made the trip home by plane. Mrs. Labrie promised her children she would come back next winter, if possible.

Mr. and Mrs. Chas. Desserich, 218 Hollywood rd., had as guest in their home Mrs. J. F. Tanner of Canoga Park, San Fernando valley. She has been visiting in Bostonia several days. Mrs. Tanner's daughter, Mrs. Arndt, also of Canoga Park, drove down for a brief visit with her grandparents and to chauffeur her mother home.

The Asbury Methodist Church is the site picked for the convention of the County Federation of Women's Clubs held April 20 and 21. Delegates and alternates chosen by the Bostonia Senior Women's Club to attend the convention are the Mmes. Anna Orcutt, Frank Rains, A. O. Larson, George Coburn, W. H. Shattuck, P. D. McCalmont, R. M. Shannon and Mrs. Van Valkenberg.

Cub Scout Troop 152 will be hosts at a chili dinner Friday, April 22 to parents and friends. It is to be held in the Bostonia Grammar School and funds raised will be used for their summer program. There will be a musical program and dance acts. Those who attend are asked to bring their own eating utensils.

Mr. and Mrs. W. E. Hall had as guest over Easter Sunday Mr. Hall's mother, Mrs. Mayme Gordon of San Diego.

Loss from Coyotes Is High, M. Parfet Says

Coyotes which have been growing fat at the expense of back country turkey producers will have to contend with State trappers in the future, if a recommendation made yesterday by directors of the San Diego County Farm Bureau is followed by the County Board of Supervisors.

The County should contract with the State to supervise trapping, the resolution declared. Under the proposed contract, the trapping of coyotes and other predatory animals would be carried out by State trappers with the cost divided equally between County and State.

Trapping is the most economical method of eliminating coyotes, Milton B. Parfet, of Lakeside, told the directors. Turkey growers around Ramona have reported losses from coyotes running as high as $5,000 a year, Mr. Parfet said.

Another Farm Bureau resolution directed to the Supervisors recommended establishment of a sanitary rubbish dump in the vicinity of El Cajon. A convenient dumping place in that area is necessary if city residents are to be stopped from unloading their rubbish on nearby farms, Frank Moore, of El Cajon, declared.

Assisting local Farm Bureau officials in a drive next week to secure 280 new members will be several State area representatives. With a present membership of 1,720, the goal for this year is 2,000 members, Mr. Parfet told the group.

TOMATOES RIPENING AT LAURA K GARDENS

"The proof of the pudding is in the eating"—

Or, rather we should say, tomato, instead of pudding.

Ross Kopke of the Laura K Hydroponics Gardens brought in some sample tomatoes, now ripening on the vines inside the greenhouses.

They average nearly ½ lb. in weight, are perfectly formed and have an excellent flavor.

New plants will be set out in the near future, Mr. Kopke said, and will come into production in about sixty days.

Mrs. Erman Kouns New PTA President

Frances Darby, assistant superintendent of county schools, was guest speaker at the PTA meeting Tuesday evening at the Lakeside School.

Election of officers for the year 1949-50 placed the following in office:

Mrs. Erman Kouns, president
Mrs. Henry Herms, vice-pres.
Mrs. Ed Humberstad, treasurer.
Mrs. R. E. Anderson, secretary.

Mrs. Robert Staite, retiring president, was in charge of the meeting.

An organization meeting for a PTA at Lindo Park School was announced for May 3 by Mrs. Arthur Edwards, chairman of the committee that has arranged the dedication ceremonies for next Monday.

Parents of children who will be enrolled in the new school are asked to attend the organization meeting.

Mrs. Jack McLean was selected delegate to represent the new school at the PTA convention in Los Angeles April 24-27. Mrs. Erman Kouns will attend from the Lakeside School.

A Variety Show is being planned for the near future, sponsored by the PTA, with Mrs. Kouns and Mrs. T. Holmquist in charge. Proceeds will help with PTA organization expenses at the Lindo Park School.

Room mothers of First Grade children served cake and coffee on the cafeteria tables that were beautifully decorated with spring flowers.

David Robert Angus, born December 14, 1848, son of Mr. and Mrs. R. M. Angus, of Vista La Mesa, was baptized by Rev. T. E. Roberts at the Community Church of Lakeside at the first service Easter morning, Apr. 17. David and his six-year-old brother are the grandsons of Mr. and Mrs. Stanley Conant of Lakeside.

National Honors for Shepherd Sheep Dog

Bil-Bo-Dot Dan Cupid, a shepherd sheep dog of the Bil-Bo-Dot Kennels, appearing in six major dog shows, has won 13 points toward attaining a coveted Championship. Only two more points are needed.

The dog's picture will appear on the June issue of 'Dog World.'

A. B. McLaughlin of 455 Magnolia is the owner of Bil-Bo-Dot Dan Cupid.

Ramona Interested In SPEBSQSA Chapter

The Lakeside chapter of the SPEBSQSA may, in the near future, sponsor a chapter at Ramona. Considerable interest has been expressed in Ramona in forming a chapter.

The Moonlighters were guest artists at the joint El Cajon-La Mesa meeting of the Masonic Women's Clubs on Tuesday afternoon and will appear on the charter night program of the Lakeside Kiwanis Club.

Incidentally, the Moonlighters have chosen a secretary from their ranks and organizations wishing to engage them should, in the future, call Tom Barkdull at Hilldale 4-7806.

Miss Maxine Gideon, Second Grade teacher at Lakeside, has been called to her home in Missouri by the death of her grandmother. During her absence the grade is being taught by Mrs. Milton Parfet.

Mrs. Velma Lake has begun an addition to her home at Vine and Laurel streets.

Mrs. B. L. Wade of Escondido was in Lakeside Wednesday, visiting her mother, Mrs. Bessie Mallory.

Mr. and Mrs. Cleve H. Lund and daughter, Sandra, of Imperial Beach spent Sunday in Lakeside with Mrs. Bessie Mallory and Mrs. Doris Bowden. In addition to observance of Easter the family also celebrated the birthday of Mrs. Lund.

Guests over the Easter holiday at the home of Dr. and Mrs. Morton Carlile were Dr. Gordon Fuller of Seattle and Mr. and Mrs. George Turner and sons, John and Mel, from Los Angeles. Mrs. Turner and Mrs. Carlile are sisters.

Lieut. Julian R. Conant paid a surprise visit to the home of his parents, Mr. and Mrs. Stanley Conant in Lakeside on Wednesday and Thursday of last week. He came from Washington, D. C., as a passenger on the new plane "Constitution," leaving there at 9:30 a.m., and arriving in San Francisco at 3:30 that same afternoon.

Lt. Conant reports that practically the entire flight was at an elevation of 20,000. He was sent to the West Coast as a delegate to the dental convention held in Los Angeles and combined business with pleasure by visiting relatives and friends in Lakeside.

Gene Allen Injured By Fractious Horse

Gene Allen, son of Mr. and Mrs. Earl Allen, Cajon rd., was painfully injured Sunday when the horse he was riding became excited, reared and fell.

Gene's foot was caught in the stirrup and was crushed beneath the horse.

Gene, who joined the Navy in January, was on his first 36-hour liberty when the accident happened. He was taken immediately to Naval Hospital.

His address while his foot mends will be A. E. (Gene) Allen, Ward 10-2, San Diego Naval Hospital.

David Barnes to Address Kiwanians Next Week

David Barnes, head of the San Diego County Schools Guidance and Attendance Bureau will be guest speaker at next Wednesday's luncheon of the Lakeside Kiwanis Club.

In keeping with Public Schools Week, his subject will be "Education Looks Forward."

Allen G. Mitchell is chairman for the day.

Lakeside Girls Enter El Cajon Queen Contest

Mary Griffin, winner of last year's 49er Queen contest in Lakeside, is a contestant for Queen at the Country Fair to be held at Gillespie Field. She is being sponsored by the L. B. Moore Decorating Co.

Betty Fuller, Rt. 1, Box 188, Lakeside, is also a Queen candidate. She is being sponsored by the Fuller Floor Co. Miss Fuller is 17, and a student at Grossmont. She is 5 ft., 5 inches tall, weighs 120, is a blonde and has blue eyes.

The first elimination judging event is to be Saturday night, April 23 on the Grossmont High School stage. A dance follows.

'Small Children Contest' By Women's Auxiliary Of St. John's Church

The Women's Auxiliary of St. John's Episcopal Church of Bostonia will have a dinner April 29 in the Community Center in El Cajon. Highlight of the evening, it is stated, will be the selecting of a winner in the small children contest.

First prize will be a pencil-color sketch valued at $50, and other prizes will be of proportionate value.

The children must appear at 6:15. Awards will be determined by applause. This part of the program begins at 6:15.

The first dinner will be served at 5:30; the second at 7. Reservations, with donations of $1 to the Church building fund, may be picked up at Fraser & Smith, Russell's Pharmacy, or at the Valley Studio in El Cajon.

T N T CLUB

The regular meeting of the TNT Club will be held at the home of Mrs. B. J. Conrad on Thursday afternoon at 2 o'clock. Mrs. Evelyn Hemperly will be co-hostess.
